101.02. WILD ANIMALS AND BIRDS

1. Taking Wild Animals and Birds. (Ref Ord 1227)

Except as provided in Section 101.02.2 regarding nuisance wildlife control measures, it shall be unlawful for any person to hunt, take, shoot, trap, kill, injure or attempt to injure any wild animal or bird within the City of Fridley by use of a firearm, bow and arrow, trap, poison or any other means. Nothing in this section, however, shall ~~not~~ prevent property owners or their agents from eradicating rodents on their property through the use of traps, poisons or other such lawful means, nor shall it prevent Nature Center staff, the Animal Control Officer or officers of the Fridley Police Department from trapping, immobilizing or killing a wild animal or bird for reasons of public safety or for reasons of humane destruction following injury.

2. Nuisance Wildlife Control Measures.

A. It shall be unlawful to hunt, take, shoot, trap, or kill any wild animal or bird within the City of Fridley without first having obtained a temporary nuisance wildlife control permit from the City. No permit shall be issued except upon the review and approval of a nuisance wildlife control plan and then only under the following conditions:

- (1) A special permit, authorizing wild animal or bird removal, shall first be secured from the Minnesota Department of Natural Resources and any federal agency mandated to regulate the taking of the species to be removed as may be required.
- (2) An indemnification agreement shall be submitted holding harmless the City of Fridley from any suits arising from any damages resulting from the nuisance wildlife control program.

B. In addition to any other requirements as may be deemed necessary, the nuisance wildlife control plan shall at a minimum:

- (1) Include a site plan of the property upon which nuisance wild animals or birds are to be taken;
- (2) Identify the species and number of wild animals or birds to be taken and the method of disposal;
- (3) Describe the proposed manner of taking and incorporate appropriate safety standards as identified by the Minnesota Department of Natural Resources and public safety officials;
- (4) Provide complete identification, credentials and qualifications of all person involved in the taking;
- (5) Identify the measures to be used to secure the property from public intrusion during any taking.

C. The Director of Public Safety or designee has the authority to approve, modify or deny a nuisance wildlife control plan, taking into account the health, safety and welfare of the public.

D. No person shall intentionally disrupt a nuisance wildlife control program conducted pursuant to this section by any means including but not limited to the use of noise, lights, chemicals, or by the intrusion into a restricted area where a nuisance wildlife control program is taking place.

3. Prohibition of Waterfowl Feeding

A. It shall be unlawful to provide food (including food by-products, garbage or animal food) to waterfowl on City of Fridley owned park land. This shall include placing food or allowing food to be placed on the ground, shoreline, waterbody, or any structure, unless such items are screened or protected in a manner that prevents waterfowl from feeding on them.

B. This prohibition shall not apply to veterinarians, city animal control officers or county, state or federal game officials who in the course of their duties have waterfowl in custody or under their management.

C. This prohibition shall not apply to persons authorized by the City of Fridley to implement the Canada Goose management program and any future waterfowl management programs approved by the city council.

D. This prohibition shall not apply to any food placed upon the property for purposes of trapping or otherwise taking waterfowl, where such trapping or taking is pursuant to a permit issued under section 101.02.2. (ref 1260)

101.03. LIVESTOCK CONTROL

1. License Requirement:

No person shall engage in the keeping, raising, feeding or caring for livestock within the City limits of Fridley without first having obtained a license to do so.

2. License Procedure.

A. A license to keep livestock shall be granted only after written application, signed by the applicant, is filed with the City. The application shall state the applicant's full name and address, and contain the number and species of the livestock to be kept and a scaled site plan of the promises showing the adjoining property and fence lines.

B. The Council, in considering whether a livestock license should be granted shall review the application and site plan to consider the nature of the livestock, the possible effect on adjoining properties, housing facilities, sanitation control and the effect on the general health, safety and welfare of the public.

C. Any person keeping, raising, feeding or caring for horses, cattle, goats, sheep or swine shall provide no less than one (1) acre of open, unused land for each animal.

3. License Fee.

The annual license fee and expiration date for a livestock license shall be as provided in Chapter 11 of this Code.

4. Manure Removal.

Persons who keep animals within the City shall not allow any odors which are offensive to the people inhabiting the City such that they constitute a nuisance as defined in Chapter 110, entitled "Public Nuisance", of the City Code. Organic matter shall not be allowed to accumulate for more than one (1) week at a time. However, organic matter shall be removed more often than one (1) time per week if it is necessary to eliminate any odors that constitute a nuisance.

5. Housing.

Proper housing in the form of barns, coops or hutches shall be provided in any area where livestock are permitted to roam. Such housing shall be adequately fenced to insure that the livestock remain on the owner's premises. When livestock are kept in an area that abuts or adjoins a residential area on which dwellings are erected, there shall be a strip of land at least thirty (30) feet wide between such abutting property and the area on which the livestock are kept.

6. Inspection.

Any authorized Animal Control Officer of the City shall, at any reasonable time, be permitted upon the premises where livestock are kept for the purpose of making an inspection to determine compliance with this Chapter.

101.04. ANIMAL NUISANCE

It shall be unlawful for any person to own, keep, or harbor any animal which is considered a nuisance. (Ref. 979.)

For the purpose of this Chapter, an animal nuisance shall exist under any of the following conditions:

1. The animal is not confined to the owner's or custodian's property by adequate fencing or leashing.
2. The animal is off the premises of the owner or custodian and is not under the control of the owner or custodian by a leash. Such leash shall not exceed eight (8) feet in length. This provision is not applicable when an animal is in a motor vehicle.
3. The animal commits damage to the person or property of anyone other than the owner, or creates a nuisance, as defined in this Chapter or in Chapter 110, entitled "Public Nuisance", of the City Code, upon the property of one other than the owner. This provision is not applicable when the animal is acting in defense of the owner, the owner's family or the owner's property.
4. A female animal is in heat and off the premises of the owner, unless confined while being transported to or from the premises of the owner. This provision is applicable when a female animal is in heat and is on the premises of the owner, but is not kept in a building or secure enclosure where it cannot be in contact with other males of its kind, except for planned breeding.
5. The animal barks, howls, cries, yelps, or makes any other noise habitually and/or repetitively that the person who owns, keeps, or harbors the animal knows, or has reasonable grounds to know that it will, or tend to, alarm, anger or disturb other persons residing in the vicinity thereof. (Ref. 979.)

6. The animal chases vehicles or otherwise interferes with pedestrians, automobiles bicycles, motorcycles, motor bikes or snowmobiles on public streets, alleys, properties or highways.
7. Where required, the animal has not been vaccinated against rabies within the preceding two (2) years.
8. Any lot or premises on which four (4) or more dogs or cats, or any combination of four (4) or more dogs or cats, at least six (6) months of age, are kept. Additional animals may be kept in non-residential zones that meet the City's zoning requirements for a kennel license. (Ref, 979.)
9. Any person eighteen (18) years of age or older or the parents or guardians of any person under eighteen (18) years of age who owns, harbors or keeps a dog, allows such dog to run at large in the City. The age of such dog is irrelevant.
10. Any person having the custody or control of any animal does not clean up feces of the animal and dispose of such feces in a sanitary manner.
11. Any person having the custody or control of any animal allows such animal to defecate on the private property of anyone other than the owner.
12. When on a park or public land, any person having the custody or control of any animal does not immediately remove any feces left by such animal and dispose of such feces in a sanitary manner or does not have in possession a device or equipment for the picking up and removal of animal feces. The provisions of this Section shall not apply to a guide dog accompanying a blind person or rescue activities.
13. To allow an animal on the premises of any bathing beach or the City Community Park, whether ridden, lead, carried, or running at large. (Ref. 979.)

101.05. DOG REGISTRATION

1. Permit.
 - A. No person shall own, keep or harbor any dog over the age of six (6) months within the City unless a yearly permit has been secured. Permit certificates shall be issued by the City upon proof of rabies vaccination within the preceding two (2) years. If at the time of initial registration, a dog is due to be vaccinated within the next six months, a new vaccination would be required before a permit is issued. Issuance of new permits for the license year shall commence as set forth in Chapter 11 of this Code. In April of each year, the City may publish notice in the official newspaper of the need to pay such permit registration fee.
 - B. The applicant for permit must sign and agree that he or she is prepared to comply with regulations established by the City. It shall be the duty of each person owning, keeping or harboring a dog to pay the permit fee established by the City on or before the first day of the permit year, or upon establishing residence in the City. Upon payment of the permit fee, the City shall execute a receipt in duplicate, the original of which shall be delivered to the person who pays the fee and the duplicate retained in the City records. As a minimum, the receipt shall describe the dog as to breed, age, color, owner and owner's address,

C. No permit shall be required of any humane society, veterinary hospital or laboratory.

2. Tag.

A. In addition to the permit, a tag, the shape or color of which shall be different for each registration year, shall be issued by the City. The owner shall affix the tag, by a permanent metal fastener, to the collar or harness of the registered dog in such a manner so that the tag may be seen. The owner shall see to it that the tag is constantly worn by the dog. In case any tag is lost, a duplicate may be issued by the City upon representation of a receipt showing the payment of the permit fee for the current year. A charge, as provided by Chapter 11 of this Code, shall be made for each duplicate tag.

B. It shall be unlawful to counterfeit or attempt to counterfeit a dog tag or remove a valid tag for any purpose.

C. Dog tags shall not be transferable and no refunds shall be made on a permit fee because of leaving the City or death of the dog.

101.06. REVOCATION

1. An animal permit may be revoked if:

A. The person holding the permit refuses or fails to comply with the provisions of this Chapter, any other regulations promulgated by the City or any state or local law governing cruelty to animals or the keeping of animals.

B. An owner fails to provide the animal with necessary food, water, shelter, veterinary care and humane care and treatment.

C. An owner overdrives, overloads, overworks, tortures, ill treats torments, neglects, or unjustifiably injures, maims, mutilates or cruelly works an animal when unfit for labor, or otherwise abuses any animal.

D. An owner causes or permits any dog fight, cock fight, bull fight or other combat between animals or between animals and humans.

E. An owner violates the terms of this Chapter three (3) times within one (1) permit year.

2. Any person whose permit is revoked shall, within fifteen (15) days, remove such animal(s) permanently from the City or humanely dispose of the animal(s) cited in the violation as being owned, kept or harbored by such person and no part of the permit fee shall be refunded. In addition, the owner may be liable to court action under this Code, State Statutes and local laws for any of the actions cited above.

3. If a permit is revoked, no new permit may be issued for a period of one (1) year from date the permit is revoked.

101.07. EXEMPTIONS

Section 101.05 of this Chapter requiring a permit and tag shall not apply to nonresidents of the City who are keeping only domestic pets, provided that the animals of such owners shall be kept in the City no longer than thirty (30) days and the animals are kept under restraint. All other provisions of this Chapter shall apply to nonresidents and their pets.

101.08. FEES

The annual permit fee and expiration date shall be as provided in Chapter 11 of this Code. Neutered or spayed animals shall qualify for a reduced permit fee as provided in Chapter 11 of this Code.

101.09. IMPOUNDING

1. Generally.

A. The Animal Control Officer shall, take up and impound any animals requiring permits or tags found in the City without the tags; or any animals which are in violation of any of the other provisions of this Chapter. Animals shall be impounded in an animal shelter and confined in a humane manner. Impounded animals shall be kept for not less than five (5) days, including Sundays and Holidays, unless reclaimed by their owners.

B. If an animal is found at large and the owner or custodian can be identified, the Animal Control Officer may proceed against the owner for violation of this Chapter.

C. The Animal Control Officer may enter upon any public or private premises by warrant or as otherwise provided by law when such officer is in reasonable pursuit of his or her duties.

D. Upon taking and impounding any animal as provided in this Chapter, the Animal Control Officer shall immediately notify the owner, if known, and the City Police Department. The Animal Control Officer and Police Department shall maintain a record of animals so impounded.

2. Claiming an Impounded Animal.

A. In the instance of animals for which the owner does not have a required permit or tag, the Animal Control Officer shall not return such animal to the owner until a permit and tag have been purchased from the City or from the Animal Control Officer. The Animal Control Officer shall remit to the City the sum paid for the permit and/or tag and furnish the City with all necessary information pertaining to said purchase including a copy of any permit certificate issued in connection therewith.

B. The owner of the impounded animal shall pay the Animal Control Officer an impounding fee. The Animal Control Officer shall turn over to the City any impounding fees received. The City shall place such fees in the General Fund of the City.

C. If a rabies vaccination is required and the owner cannot produce proof that the animal has had a rabies vaccination within the preceding two (2) years, the Animal Control Officer shall ensure that such dog or other animal is vaccinated for rabies as a condition of release to the owner, The animal's owner shall pay to the Animal Control Officer the cost of the immunization.

D. The owner of the impounded animal shall also pay the Animal Control the cost of feed and care for each day the animal is impounded in the animal shelter.

3. Unclaimed Impounded Animals.

Any animal which is not claimed within five (5) days after having been impounded, including Sundays or Holidays, may be requested and claimed by a licensed educational or scientific institution under Minnesota Statutes Section 35.71. If not so requested and claimed, the animal may be sold for not less than the amount of the total charges accrued against the animal in accordance with the provisions of this Chapter. All sums received by the Animal Control Officer, except the cost of feed and care and any vaccinations or immunizations administered to the animal, shall be remitted to the City and placed into the General Fund of the City. Any animal which is not claimed by the owner, a licensed educational or scientific institution or sold, shall be painlessly put to death and properly disposed of by the Animal Control Officer. The time of sale or other disposition of the animal shall be at least 120 hours after notice has been given to the animal's owner by the Animal Control Officer. The provisions of notification to the owner do not apply when the owner cannot be reasonably ascertained.

101.10. ANIMAL BITES, QUARANTINE

1. Any person who has been bitten or has knowledge of a human being who has been bitten by a dog, cat, raccoon, skunk or other species susceptible to rabies shall immediately notify the Animal Control Officer or Police Department. Whenever such an animal has bitten any person, the owner or custodian of the animal, after being so notified by the Animal Control Officer or the Police Department, shall immediately cause said animal to be quarantined at the City of Fridley contract animal shelter or at a licensed veterinary hospital or kennel for a period of ten (10) days after such person has been bitten. During the quarantine period, said animal shall be kept under observation to determine its condition and if it is found to be sick or diseased, the operator of the quarantine facility shall immediately report in writing to the Police Department or the Fridley Animal Control Officer the condition of the animal. The Animal Control Officer shall then take necessary steps to determine if the animal is suffering from rabies.

2. During the quarantine period the animal shall not be removed from the designated quarantine facility except by special written permission from the Minnesota Livestock Sanitary Board and the Fridley Animal Control Officer. The owner of an animal shall be responsible for the cost of quarantine.

3. The quarantine required by this Section shall not be necessary and the requirements shall be waived if the custodian or owner of the animal, immediately upon notification that his or her animal has bitten someone, presents to the Animal Control Officer or Police Department, the certificate of an authorized veterinarian that the animal was vaccinated for rabies on a date not less than two (2) years prior to the date of the biting. Such animal so exempt shall be quarantined on the premises of the owner, under strict control, for a period of ten (10) days for the purpose of observation for symptoms of disease. The Animal Control Officer is authorized to conduct a mid-term and terminal examination of the animal.

4. It shall be unlawful for any person, other than an Animal Control Officer, to kill or destroy any animal found running at large in the City. No Animal Control Officer or other person shall kill, or cause to be killed any animal suspected of being rabid, except after the animal has been placed in quarantine, and the diagnosis of rabies made.

5. Regulation of Potentially Dangerous or Dangerous Dog. A potentially dangerous or dangerous dog shall be registered and regulated as required by Minnesota Statutes Section 347.50.

101.11. PROHIBITED ANIMALS

1. No person shall keep or allow to be kept in the City:

A. Any animal of a vicious nature or with a propensity, tendency or disposition to attack, to cause injury or to otherwise endanger the safety of human beings or domestic animals; or

B. Any animal which attacks a human being or a domestic animal on two or more occasions without provocation or on a single occasion where substantial bodily harm on a human being is inflicted without provocation; or

C. Any non-domesticated animal not naturally tame or gentle, but is of wild nature or disposition, including any of the following:

(1) Any animal or species prohibited by federal or Minnesota Law.

(2) Any non-domesticated animal or species, including, but not limited, to the following:

(a) Any skunk, whether captured in the wild, domestically raised, de-scented or not de-scented, vaccinated against rabies or not vaccinated against rabies.

(b) Any large cat of the family Felidae such as lions, tigers, jaguars, leopards, cougars, and ocelots, except commonly accepted domesticated house cats.

(c) Any member of the family Canidae, such as wolves, foxes, coyotes, dingoes and jackals, except commonly accepted domesticated dogs.

(d) Any poisonous snake, pit viper or constrictor, such as a rattle snake, coral snake, water moccasin, cobra, boa constrictor or python.

(e) Any raccoon.

- (f) Any other animal which is not listed explicitly above, but which can reasonably be defined by the terms in section 101.11 of this code, including bears and badgers.

Upon conviction for the violation of this Section, the court may in addition to imposition of sentence, direct the Animal Control Officer to take the animal in question into custody and forthwith dispose of it in a humane manner. (Ref. 979.)

101.12. COMPLAINTS

Any person complaining to the Police Department that an animal is allegedly running at large or otherwise constituting a danger or nuisance shall identify himself or herself upon request and shall make every reasonable attempt to assist the authorities in identifying the animal and its owner or custodian.

101.13. MUZZLING

Whenever the prevalence of hydrophobia renders such action necessary to protect the public health, safety and welfare the Mayor shall issue a proclamation ordering every person owning or keeping an animal susceptible to rabies confined securely on their premises unless it is muzzled so that it cannot bite. No person shall violate the proclamation, and any unmuzzled animal running at large during the time fixed in the proclamation shall be immediately put to death by the Animal Control Officer without notice to the owner.

101.14. KENNELS

1. License Requirement.

No person shall keep or maintain a kennel in the City except upon obtaining a kennel license consistent- with the zoning requirements of this Code.

2. License Application

Application for a kennel license shall be made on forms provided by the City. Such application shall contain the following information:

- A. Location, on the premises, of the kennel.
- B. Location of structures for housing the dogs and/or cats. If the dogs and/or cats are to be kept primarily within the home or other building of the residence of the applicant or of any other person, the application shall so state.
- C. The maximum number of dogs, cats or any combination thereof, to be kept on the premises.
- D. The distance of any run areas or housing for dogs and/or cats from any building structures suitable for human habitation, or a public place where food is bought, stored or eaten. This distance shall be a minimum of 200 feet.

- E. The premises for any keeping of dogs and/or cats shall be fenced and a simple plan showing the location of fencing shall be furnished, The fencing must be of such quality and design so that it: will contain the dogs and/or cats.
- F. Method to be used in keeping the premises in a sanitary condition.
- G. Method to be used in keeping the dogs and/or cats quiet.
- H. An agreement by the applicant that the premises may be inspected by the City at all reasonable times.

3. Issuance of License.

The City shall have discretion in determining whether or not to issue a license. In making such determination, the City shall take into consideration the adequacy of the housing, the runs for the animals, the method used for generation, the method used to keep the animals quiet, the facilities for containing the animals and with particularity, any violations during the previous license period.

4. Kennel License Fee.

The annual license fee and expiration date shall be as provided in Chapter 1.1 of this Code.

5. License Revocation.

If a license is granted and the applicant thereafter fails to comply with the statements made in the application or any other conditions reasonably imposed, or violates any other provisions of this Chapter, the licensee shall be notified by mail and given ten (10) days to remedy any defects or defaults. If such condition is not remedied in ten (10) days, a hearing shall be held at least ten (10) days after mailed notice to the licensee. The licensee and all other interested parties shall have the opportunity to be heard. If it shall appear that said kennel is not being properly maintained, the City may revoke the kennel license and the keeping of three (3) or more dogs, three (3) or more cats, or any combination of three (3) or more dogs and cats shall be immediately discontinued.

101.15. ANIMAL CONTROL OFFICER

1. Appointment.

The City may appoint such person, persons or firm as the City may deem necessary and advisable as Animal Control Officer. Such appointees shall work under the supervision of the Fridley Police Department and shall be responsible for the enforcement of this Chapter.

2. Duties.

Animal Control Officers are authorized to enforce the provisions of this Chapter and other related ordinances, Chapters and statutes pertaining to animal control, including the issuance of citations.

3. Unlawful Acts.

It shall be unlawful for any unauthorized person to break into an animal shelter, or attempt to do so, or to take or set free any animal taken by the Animal Control Officer in the enforcement of this Chapter, or in any way interfere with, hinder or molest such Officer in the discharge of his or her duty under this Chapter.

101.16. GUARD DOGS

1. Businesses located within the City and maintaining a guard dog for security purposes shall post notice at the entrance to the premises warning of the presence of said dog.

2. Businesses maintaining a guard dog shall file with the City a release authorizing the police or fire departments to shoot said dog in an emergency situation, if necessary, in order to allow the police or fire fighters to gain admittance to the premises in the performance of their duties.

101.17. SEEING EYE DOGS

Whenever a blind person accompanied by a "seeing eye" or guide dog presents himself/herself for accommodation or service on any public transit vehicle or to any restaurant, store or other place of business open to the public, it shall be unlawful for the owner, manager, operator or any employee of such vehicle or place of business to refuse admission to the dog or service to the blind person.

101.18. CRUELTY TO ANIMALS

Minnesota Statutes Sections 346.20 through 346.34 are hereby adopted by reference and shall be in full force and effect, in the City of Fridley as if set out here in full.

101.19. RELATION TO OTHER LAW

The prohibitions contained in this Chapter shall be in addition to any State or Federal law regarding the same or related subjects.

101.20. PENALTIES

Any violation of this Chapter is a misdemeanor and is subject to all penalties provided for such violation under the provisions of Chapter 901 of this Code.
