From: City of Fridley Engineering Department

When: Tuesday, **August 13**, 2019

6:00 p.m. Presentation

6:30 p.m. Question and answer session

Where: Fridley City Hall, Council Chambers
7071 University Avenue NE, Fridley, MN

The City of Fridley is considering the permanent closure of University Avenue East Service Road between 66th Avenue and 67th Avenue to enable construction of an enhanced buffer and trail reconstruction along University Avenue.

You are cordially invited to attend a presentation to review the proposed closure of the University Avenue East Service Road between 66th Avenue and 67th Avenue. If you have a rental property, we encourage you to inform your tenants of the neighborhood meeting. Please see the attached map for the proposed closure. We will discuss the proposed construction, schedule, and impacts.

Following the presentation, the project team will be available to answer your questions and obtain your input. We would like residents to share any existing roadway issues such as traffic safety concerns you are aware of in your neighborhood.

If you have questions before the neighborhood meeting, or cannot attend in person and would like additional information about this project, please call Brandon Brodhag, Project Engineer, at (763) 238-8086.
